

# BREAST CANCER FUNDRAISER

107 E Perry St.  
Tiffin, OH 44883  
419-443-0272  
sales@ssgink.com

A member of our school family is currently dealing with a catastrophic medical condition and has been diagnosed with Stage 3 Breast Cancer. She is a teacher, wife and mom. We know this is a difficult time and the family could use the support during this fight. Please join our school as we show her and her family support during this difficult time.

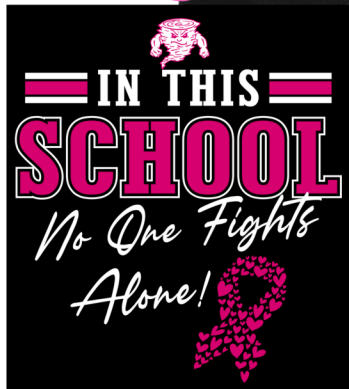

### Design #1
