Dr. Meagan McBride

This Super Hero has been on the TCS Board for 5 years. Meagan brings a wealth of experience in both education and mental health to the Board. She has worked as an infant, toddler and preschool teacher. She holds a bachelor's degree in special education and has taught in both self-contained and integrated classrooms. Her master's degree in clinical mental health counseling, focusing on youth and adolescents with trauma experiences. Meagan completed her PhD in counselor education and supervision. She currently teaches in high education teaching future mental health professionals. Meagan also maintains a private practice, providing counseling service and advocating for mental health awareness. Her goals on the Board are:

- To work toward stable leadership.
- To advance the district as a place where all students feel safe and welcomed.
- To ensure the district is a place where the staff feel valued, supported, and motivated to stay, grow, and invest in the community long-term.
