Level 6	Ages 13-14	Time 7:30-8:30

The purpose of these training sessions are to help our youth become more involved and educated with the game of soccer. Over the course of these training sessions, the athletes will learn and play soccer in an instructive and fun environment. They will work on developing skills such as ball skills, (dribbling, passing, shooting, receiving, tackling, and juggling), the fundamental rules of the game, and team principles.

This winter training program will be coached by Nick Spell and players from local Universities. These players have all been playing for 15 years or more, and were previously members of select soccer clubs in their hometown areas. They have each contributed greatly to their teams this past fall, and are now eager to assist the youth of Tiffin. Our goal is for each player to walk out of training knowing they have improved, and excited for the next session!
